That's not true!
You've doing your best for Ichigen-san, aren't you!
There's nothing impure about the motivation at all! Right?
It must be because my motivations behind doing so are indeed impure

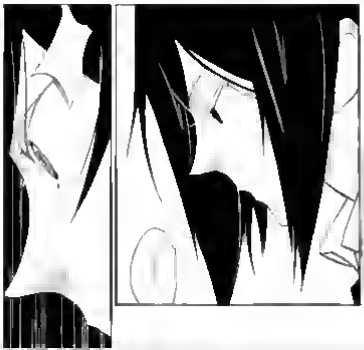
Chapter 2: Old Maid

Why are you throwing me around?
But it's different for you. You're not doing this because you've been given orders.
I'm Ichigen-sama's only vassal. I'm to follow Ichigen-sama's orders.

I really love this Academy you see
Ah
Mmmhhm senpai, Sushi senpai, Arisa senpai, Kusunagi-san too
I really love everyone
Thus Academy and the people in it too
Ichigen san, Yata-kun Fushimi-kun
really that strange?
Is wanting to introduce a friend to the people you love

I don't wanna hear that coming from you of all people!
You're a strange guy

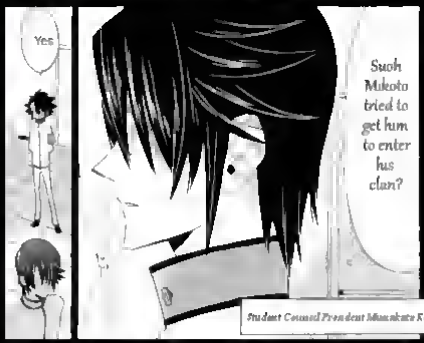
Ichigen-sama said he wanted me to experience something "special."



But is that really something that I'll only be able to gain
by entering a "clan"?

I was turned down by your lord, was I not, ?
Whoa. ? I don't understand why

Is that so?
Student Council Room
10 AM Detailed again

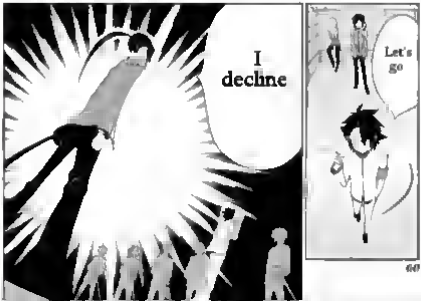


Yes
Suoh Mikoto tried to get him to enter his clan?
Student Council President Munakata Reisi

No thanks to him, we're talking about Mount Hiei. Ideally, he has not grown a new thought at all.
Yes
So, for forever, a loyal Vermeer Knecht is a failure.
Yes
Sir-sathalon, there's just one thing
Bad.
That is, that's the case. There is clearly no denial.
Please use the hell off.
The very thought of a joker being in someone else's possession...

It's a huge stroke of luck for you, isn't it? So come on, hurry up!
Captain stated that "Actually I want him now after all ☆"

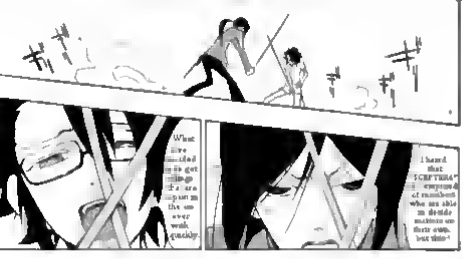
Good for you, Kirah. You'll be able to enter now
!



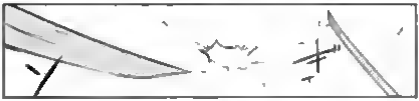
I decline
Let's go

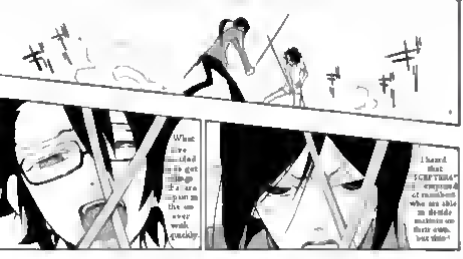
What?
When I enter a club I will enter it of my own volition.
It has nothing to do with what's convient for you guys!
If you won't come with me
Then.
sigh

I'll make you come with me by force
Fushimi.
Ready for battle.

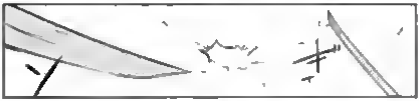


I heard that FORTUNA is empowered by members who are able to decide matters on their own, but this-





I heard that FORTUNA is empowered by members who are able to decide matters on their own, but this-



But
I know that Captain wanted this guy
He's fighting with me like with even though I'm not even a member of his club

This is the end.
wha

キィ
!?
My power was nullified.

I'm a guide, so-
It's my job to show Kuroh around and get him where he wants to go!

I always end up with the short end of the stick.

Chapter 3, Welcome to the Island Academy!
Yup!
Isana, this power
Are you a king?

and the head of the the Silver Club
I'm Isana Yashiro the Silver King.
He accepted it, so fast.
I see. If it was what Ichigan-san said to do then it can't be helped.
He told me to show you around the academy as your guide.
I was told by Ichigan-san not to say anything.
Sorry about that!
Why did you turn down "SCEPTER4 s" invitation?
But.

What Ichigun-zuma said was not to enter a "clan"
I am filled with shame at my own immaturity
Rather what he said was to experience "special" things here at this academy

Entering a "clan" was never anything more than just one way of doing so
To think that I was so caught up in Ichigun-zuma's words that I did not realize this

Even if I don't join a "club" I can have "special" experiences
Like right now
It's thanks to you that I realized this

Thank you, *Shiro*.

You're welcome, Kuroh.

Yeah.
That's a good answer
Kuroh
Let me welcome you once more to our "super" Ashinaka Island Academy.

Notes:

¥100,000 = approx $30 USD
¥100 = approx 10 cents USD
¥21 = approx 1¢ cents

"Note 1. "Tsukkomi": a witty remark that's name comes from Japanese comedy duo sets in which there is the funny man (boke) who makes flippant remarks and straight man (tsukkomi) who criticizes these remarks in a witty, humorous fashion.

"Note 2. Kuroh's emphasis on the age of 60 (Kanreki) is that in Japan a person's 60th birthday is considered a major milestone in their life and as such a special celebration is held for them in their honor

"Note 3. "Master": what the owner of a bar is referred to as in Japan.

"Note 4. "Joker": What Reishi means by this is joker as in the playing card. Ia a wild card. It is the exact sama word that he refers to Saruhiko as in Days of Blue and as it was translated as joker in that, I chose to put it as joker here for consistency purposes rather than use wild card which is a better fit to what Reishi says meaning wise in my opinion but hey
